Blue Cross and Blue Shield of Texas (BCBSTX) can help you get a ride to your health care appointments as part of our Value Added Services (VAS). You can also get rides to your health classes, dialysis, diabetic screenings or therapy. We can arrange for a wheelchair van, if need. Non-emergency medical transportation is provided by ModivCare.

How will I get to my appointment?

ModivCare will schedule transportation and other services that best meet your/your child's needs. Let us know if you need a wheelchair van and we will arrange one for you.

How do I use this VAS?

As a part of the BCBSTX VAS program, CHIP and CHIP Perinate members can get rides to medical appointments, member events and other related services. To use this VAS:

- Call ModivCare at **1-855-933-6993** (TTY: **711**) to schedule a ride.
- ModivCare can help CHIP members find a ride, a place to stay and get meals for doctor visits that are at least 75 miles away from home.
- If you have a scheduled appointment and get permission from BCBSTX ahead of time, you can be paid back for mileage if you drive your own car.
- Please schedule your ride at least three business days before your appointment, or 24 hours before a sick child visit.
- Please have this information ready when you call:
 - Your full name, current address and phone number
 - Your member ID number
 - The date you want to ride
 - The name, address and phone number of where you are going
 - What kind of appointment you are going to
 - If you will need a wheelchair van or some other kind of help during your trip

Is there an App for that?

ModivCare has an app that allows you to schedule your medical ride and make updates to your trip. Search 'ModivCare' on either Google Play® or the Apple App Store® to download. You must have an email address or create new one to set up your account.

- Change or cancel a ride
- Know where your driver is in real time
- Text or call the driver to make sure your ride is on time
- Submit a trip mileage claim to get reimbursed
- Contact support within the app to talk to a live agent

What do I do after I schedule my trip?

(**Note:** This does not apply to bus trips.)

After you schedule your trip:

- The transportation provider will call you and tell you the time of your pickup and give you their phone number. Keep this number handy.
 - Be ready 60 minutes before your pickup time. The driver can come to your door to help you if you need it, but cannot come into your home.
 - If you have already scheduled a time for your return ride home with ModivCare, you should expect your driver to pick you up no more than 30 minutes after your scheduled time.

 - If you have to wait longer than 60 minutes, call the number the transportation provider gave you.
 - If your ride does not show up, call ModivCare Where's My Ride at **1-855-933-6994** (TTY: **711**).

How do I get reimbursement for transportation costs?

Call ModivCare at **1-855-933-6993** (TTY: **711**) to register for the Comdata® Mastercard and to get the reimbursement approved before your appointment. What are the steps to get mileage reimbursement?

- You must get a trip number when you make your trip reservation.
 - You must have a trip number before you take your trip. You will not be able to get reimbursement if you take the trip without getting a trip number.

 - Reimbursement for mileage will be made within 30 days after the trip log is turned in to ModivCare.
 - You do not need a checking account to use the Comdata® MasterCard.
-

Is there a limit to the number of trips I can schedule or the distance I can travel using this VAS?
